Children are presented with tasks and play appropriate to their age level. Academics are taught with emphasis on social development, fine motor skills and focal attention development.

Morning snacks are provided and served by Center Staff. While lunch is eaten at school it is provided by parents. Center Staff will assist with lunch.

Field trips are taken throughout the year as an enrichment to the children's educational development. Parent transportation is utilized for all field trips.

Music and Art Enrichment activities are incorporated into the school curriculum.

Children attending MBS Early Learning Center are NOT given priority admission into MBS Kindergarten.
